

We take pride in using fresh ingredients!

We believe that a tasty meal starts with fresh ingredients. That's why we support local producers and choose meat that is 100% from here. We obsess over selecting the best ingredients so that every bite is as tasty and authentic as the last.

Veggie options that will win over even the biggest meat eaters!

Our vegetarian options not only taste great, but they're also an excellent choice for the environment. Indulge in our savoury veggie burger, or even a tofu hot dog, with a side of fries or onion rings. They'll fool even the fussiest carnivores!
