BRIDGE (4-PACK)

CA\$16.00

The first beer we started brewing when we opened our doors in 2018. Brewed with the best malts in the world and our favourite hops, this lager has subtle hints of pear and melon while its long maturation at near-freezing temperatures makes it crisp, refreshing, and crushable. La première bière que nous avons commencé à brasser lorsque nous avons ouvert nos portes en 2018. Brassée avec les meilleurs malts du monde et nos houblons préférés, cette bière blonde présente des notes subtiles de poire et de melon tandis que sa longue maturation à des températures proches de zéro la rend rafraîchissante, soyeuse et croustillante.

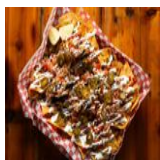

HARD DAY'S WORK (4-PACK)

CA\$18.00

Our take on a classic English style. Brewed 100% with malts from Quebec, balanced with English hops & fermented with English yeast, this beer displays a beautiful marriage of flavours like caramel, fresh bread, and hints of spice. Notre version du style classique anglais. Brassée avec des malts québécois et des houblons anglais, cette bière présente un magnifique mariage de saveurs telles que le caramel, le pain frais et des notes épicées.
